Community Health Worker, Transformation Project
Sioux Falls, SD

Job Type
Full-time, varied daytime, evening and weekends shifts, some travel across SD

Salary, Benefits & Perks
Salary $40,000+ based on experience, paid time off, benefits

Job Overview
A Community Health Worker is a frontline public health worker who is a trusted member of and/or has an unusually close understanding of the community served. This trusting relationship enables the worker to serve as a liaison/link/intermediary between health/social services and the community to facilitate access to services and improve the quality and cultural competence of service delivery. The Community Health Worker (CHW) is embedded within the community and serves as the connector between the community, social services, and health services.

Qualifications
- High School Diploma or Equivalent.
- Experience with navigating SD medical and social support systems.
- Must be from the transgender community or have a familiarity of the community.

Required License/Certification/Registration
- This position requires a valid driver’s license and that the employee is insurable by the Transformation Project automobile liability insurance carrier.
- Must complete the Community Health Care Worker certification program within 2 years of hire.
